

# K 520

ALL-PURPOSE STEREO HEADPHONES

**AKG**<sup>®</sup>  
by HARMAN

## HIGHLIGHTS

- GENUINE HI-FI VOICING
- NEW COMFORTABLE HEADBAND
- 2-D AXIS FOLDING MECHANISM

## GENUINE HI-FI, GENUINE COMFORT.

Voiced to deliver the realistic, flat frequency response that music professionals insist on, AKG® K 520 semi-open headphones are true hi-fi performers, reproducing your favourite music the way your favourite musicians intended for it to be heard. And with an all-new headband design, they'll fit comfortably for hours of continuous listening. The K 520s are lightweight and fold flat for easy transport, so they make it easy to enjoy realistic hi-fi sound anywhere.
