ULTRA-COMFORTABLE IN-EAR HEADPHONE

AKG signature sound shaped for your ear.

**A comfortable in-ear headphone that delivers AKG signature sound.**

Long celebrated for designing headphones for studio professionals, AKG has developed an in-ear stereo headphone for those who know what quality sounds like when they hear it and feel it – regardless of how many listening hours they've logged. Not only do the AKG Y20's powerful 8 mm drivers deliver high quality sound, but their tilted ear-tips and super-soft, multi-size silicone sleeves are crafted to keep attached to the ear in almost any situation – making them ideal for people who like to keep on the move. Their polycarbonate composition is both lightweight and durable, only adding to their striking outward appearance.

**HIGHLIGHTS**

- ▶ Signature AKG-quality sound
- ▶ Easy connectivity with any music source
- ▶ Lightweight, durable design
- ▶ Easy-to-store pouch for on-the-go travel
- ▶ Soft silicone sleeves in three sizes (S/M/L)
- ▶ Tilted positioning of the ear-tip optimizes comfortable fit
- ▶ Smooth surfaces with soft-touch finish

## FEATURES AT A GLANCE

- ▶ **Signature AKG-quality sound**  
Graced with powerful 8 mm drivers, the Y20 delivers all the high-output sound and accuracy that are AKG's hallmarks.
- ▶ **Easy connectivity with any music source**  
The Y20 isn't merely designed to fit an ear perfectly. It connects seamlessly with almost any portable or at-home music source.
- ▶ **Lightweight, durable design**  
The Y20 stereo in-ear's polycarbonate design is built to be both portable and durable.
- ▶ **Easy-to-store pouch for on-the-go travel**  
Not only are the Y20 in-ears built from lightweight materials, they also come with a compact carrying pouch that ensures easy, on-the-go storage.
- ▶ **Soft silicone sleeves in three sizes (S/M/L)**  
The AKG Y20 comes with silicone sleeves in three sizes (small, medium and large) to ensure a comfortable fit for anyone who likes listening to music for hours on end.
- ▶ **Tilted positioning of the ear-tip optimizes comfortable fit**  
The AKG Y20's specially angled ear-tips are crafted such that they fit snugly into ears of any size or shape.
- ▶ **Smooth surfaces with soft-touch finish**  
The Y20's rubber paint finish and fine-matte texture improve its scratch-resistance to a new level of professional design.
